

Uniform Shop

The Linden Park Schools Uniform Shop is located in the Primary campus near the staff room.

While providing an excellent service for School families, profits from the shop support many project and activities in the School.

The shop is run by the parent representatives from the Marketing Sub-Committee and staffed by volunteers, which allows us to keep the prices down (in fact you may have noticed some considerable savings on some items).

Purchases can be made by cash or credit card.

If you would like your child/children to visit the shop alone, our helpful staff at the shop will provide careful assistance.

The Uniform Shop stocks the entire range of Summer and Winter uniforms and a selection of 2nd hand uniforms.

** All items marked with an asterisk in this brochure are available in the Uniform Shop. Other items are readily available at most department stores.*

Uniform Policy

Our students are proud to be part of the Linden Park Schools community.

Our aim with the Linden Park School uniform has been to make it smart and distinctive, while still being comfortable and functional for students.

We are pleased to announce that a number of new items have been added to our uniform list for the 2007 school year – and these items are now available directly from the Uniform Shop.

Compliance with the policy is expected and encouraged. Staff members are delegated the authority to speak with students who persistently breach the uniform policy and any ongoing issues will be managed by the principal or deputy principal, in conjunction with the student and their parents.

Thank you for your continued support of Linden Park's Uniform Policy.
